Industrial Pressure Washers
...Built Right to Do the Job Right

Since 1969

ZE

Portable, Handheld, Electric-Powered,
Cold Water Pressure Washer

- 2.0 GPM, 1000 PSI
- Direct-Drive Pump with 1-Year Warranty
- Industrial Motor
- Detergent Injection
- Heavy-Duty Frame

WHY CHOOSE LANDA'S ZE

Landa's light-duty cold water line features the ZE, an economical, handheld pressure washer packed with:

QUALITY: The ZE has a quality motor direct coupled to the pump.

CONVENIENCE: Weighing only 61 lbs., the ZE features a sturdy frame protected by a powder-coated epoxy and designed to make carrying more evenly balanced.

The heavy-duty ZE has a 35 ft. electric cord with GFCI, vibration-absorbing rubber pad feet; 25 ft. of wire braid hose; stainless steel wand; and thermal pump protector.

■ Pump protected by a **Thermal Pump Protector** to prevent the build up of excessive heat.

■ 35 ft. of **Electric Cord** with NEC approved Ground-Fault Interrupter for operator protection.

■ Downstream **Detergent Injector** for low-pressure application of soap and other cleaning agents.

■ **Rubber Pad Feet** absorb vibration for long life and to keep the unit from "walking."

■ Easy attaching and detaching nozzles with the **Quick-connect Coupler**.

■ Spring-loaded **Trigger Gun** with stainless steel, two-piece, easy-grip **Spray Wand** for easy point-and-shoot effectiveness.

■ Reliable industrial **Rugged Motor** with reset button, capacitor start and full-service factor for longer life.

■ Conveniently mounted 15° high-pressure and brass soap **Quick-connect Nozzles**.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

■ 25 ft. of steel-wire braid **High Pressure Hose** rated for up to 3000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Swedge Fitting** for tangle-free handling of hose and trigger gun

■ **Safety Features**, include a durable **Pressure-trapping Unloader** diverts water flow when trigger gun is not in use.

ZE Specifications

Feature	ZE2-11026D
GPM	2.0
PSI	1000
Motor HP	1.5
Electrical	120V, 1Ph
Amps	15
Pump	Axial
L x W x H	15" x 12" x 15"
Ship Weight	70 lbs.

Note: Landa is constantly improving and updating its products. Consequently, pictures, features, and specifications in this brochure may differ slightly from current models. Flow rates and pressure ratings may vary due to variances allowed by manufacturers of our machine components. Landa product performance is certified by the Cleaning Equipment Trade Association (CETA) to be within 5% of listed specifications.
