

CUDA[®]
 AQUEOUS PARTS WASHERS

ALUMINUM & ALLOY CLEANER

Parts washers are an essential piece of equipment in the commercial and industrial manufacturing industry. They remove grit, oil and abrasive dust that may be left over from manufacturing which threatens the integrity of any coating or further treatment.

Utilization of an automatic parts washer will save time, money and man-power as well as ensure the excellence of the finished product.

Cuda detergents contain advanced formulas engineered specifically for use in aqueous parts washers. There are Cuda products for both automatic and manual parts washers. The Cuda advanced formulas include an exclusive multi-metal corrosion inhibitor package for rust-protection of all wetted surfaces.

The 90-day labor warranty for all Cuda parts washers is automatically extended to a 1-year labor warranty when Cuda detergents are used exclusively. Cuda parts washers are also covered by a 1-year parts warranty.

SPECIFICATIONS:

Formulation:	A concentrated heavy-duty liquid detergent that's safe for all soft metals, such as aluminum, magnesium, nickel, copper and brass. Contains a corrosion inhibitor to protect against corrosion and flash rusting, and an enhanced defoamer to assist with foam control in the parts washer sump.
Biodegradability:	Fully biodegradable
pH at 5% Solution:	11.1
VOC Content:	None
Foaming Action:	Non-foaming
Water Conditioning for Hard Water (TDS):	Yes
Dilution Ratio:	4-20 oz. / gallon
Color:	Clear Brown Liquid
Scent:	Musty
Corrosion:	Aluminum & Alloy Cleaner contains a corrosion inhibitor to protect against corrosion and flash rusting long after washing is completed.
Product Safety:	OSHA / WHMIS / GHS compliant Safety Data Sheet (SDS) available
Smog & Ozone:	This product does not contain photochemically reactive ingredients that contribute to smog problems or attack the earth's ozone layer
Containers:	Available in a 5 gal container
